

LobbyGuard Solutions, LLC Receives Lenel Factory Certification under Lenel's Open Access Alliance Program

LobbyGuard's visitor management software v4.5 integrates with Lenel's OnGuard® access control security system

Raleigh, N.C., August 8, 2012 — LobbyGuard Solutions, LLC announces that it has received Lenel factory certification and joined the Lenel Open Access Alliance Program (OAAP) for its visitor management software. The software integrates with the Lenel OnGuard® access control system to create a seamless flow of visitor information, resulting in highly efficient guest processing and tracking.

“LobbyGuard Solutions, LLC has completed Lenel’s required factory testing to validate the functionality of its interface with OnGuard. New and existing customers can be confident that their visitor policy increases the building’s security without duplication,” said Gidon Lissai, director, strategic alliances, Lenel. “We look forward to LobbyGuard Solution’s continued involvement in the Lenel OpenAccess Alliance Program.”

“LobbyGuard’s commitment to deliver quality visitor management is exemplified by this successful collaboration. The relationship between LobbyGuard and OnGuard gives customers the flexibility they need to automate visitor tracking and easily create a positive visitor experience,” states Kevin Allen, president, LobbyGuard Solutions, LLC.
