LOBBYGUARD®

*The **Highest Quality,** Most Advanced Visitor Management Product on the Market*
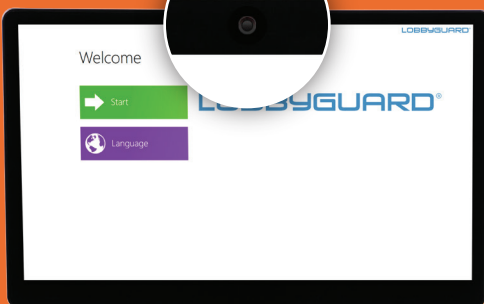

LobbyGuard Defender

The LobbyGuard Defender Visitor Management Kiosk contains everything you need to track visitors entering and leaving your building in a design that incorporates form, function and ease-of-use with a visitor-friendly 22" touch-screen interface. The Defender Kiosk includes a sturdy desktop stand and can also be wall-mounted or attached to a floor stand for optimal placement in your front office or lobby environment.

Increase building security and reduce front office personnel workload with the self-service convenience of the LobbyGuard Defender. Contact your LobbyGuard Sales Representative today or email sales@lobbyguard.com for more information.

High-Res Camera

Photograph your visitors for an accurate record of the visitor's appearance the day of the visit.

Prints Visitor Badges

Includes visitor badge printer that can be attached directly to the LobbyGuard Defender Kiosk, or attach the printer to a front desk PC and provide security personnel an opportunity to review the printed badge.

Driver License Scanning is Built-In

LobbyGuard Defender scans any state driver license with 100% accuracy in less than one second with the included bar code scanner.

LOBBYGUARD®

LobbyGuard Visitor Management
Software Installed

The LobbyGuard Defender is pre-installed with the LobbyGuard Visitor Management System, the most powerful and flexible visitor tracking software on the market today. LobbyGuard brings a wide range of security and front-office automation features to your lobby environment, including instant visitor background checks, 24/7/365 access to your visitor records from anywhere online via the LobbyGuard FrontDesk web site, the ability to design your own visitor sign-in workflows and much, much more.

Unrivaled Product *Warranty and Support*

The Defender is backed by a standard one year warranty on all parts and labor and an optional 3-Year Concierge Warranty for maximum coverage.

Support after the sale is provided via a team of dedicated support engineers available by phone or email 7am to 6pm Monday – Friday Eastern Time.
